

WORK + HEALTH QUESTION TIME

Live

REVISING SEQOHS STANDARDS AND STAYING RELEVANT FOR THE FUTURE OF OCCUPATIONAL HEALTH AND WELLBEING

SEQOHS standards have been revised and launched in June 2023. With only weeks to go before they go live, we will be discussing with our panel, the relevance of SEQOHS standards in a multiprofessional speciality, what the future holds for the quality scheme and is it the answer to elevating quality in the speciality

HOST

Nic Suckley
